Our college is a reputed women's college which has a history of more than a century. So much care has been taken from admission of students till they leave the campus after their successful completion of their respective studies. As per the instruction given by the All India Council for Education New Delhi, we steps to prohibit, prevent and eliminate the scourge of ragging in our college. We have constituted a special cell for anti-ragging on 29.06.2009 in our college. Students are incessantly warned from the first day itself that if they are in the act of ragging found they will be immediately sent out of the college and also legal action will be taken against them. So there is a positive response. Students are set up in separate hostels in year wise. Day Scholars are strictly prohibited from entry inside the hostels. Regularly awareness programmes and meetings are conducted. In the academic year the awareness programme was held on 23.07.2019.
